

Insulet Canada, the makers of the Omnipod® Insulin Management System presents...

# Pod Therapy 101

SAVE THE DATE

## Are you living with Type 1 Diabetes? Interested in learning about Pod Therapy?

**Deciding on the right insulin pump can be a stressful process.** Let me help to reduce some of that burden by speaking to you about the Omnipod® Insulin Management System. Discover the freedom that Pod Therapy can offer by registering for one of the free **Pod Therapy 101** webinars. Whether you're on multiple daily injections therapy or currently wearing a tubed-pump, all are welcome to join!

**Name:**

**Title:**

### The one-hour webinar will include information about:

- Insulet Corporation
- The Omnipod® System
- How easy it is to get started
- Why you should choose the Omnipod® System
- Data management
- Coverage for the Omnipod® System
- How to get started on the Omnipod® System
- Q&As on the Omnipod® Support Program

### Dates & Times:

### To register please send an email to:

An email to register for Webex Teams will be sent to you. By accepting this invitation and joining the Webex meeting you understand that you are not the only participant in the meeting. Other participants are also joining the product demonstration or group education session and therefore your name, email and any other personal information you choose to disclose during the meeting will be made public to the other participants.
